

Our goal

Living our faith

CUC is a life-changing religious home. One that offers multiple pathways to generous service. One that celebrates the whole human experience through diverse programming and passionate action for justice. We live our faith through generous giving and collective action,. Each year we ask each other to pledge our financial support. Over time, our pledges have looked like this:

Average pledge is around \$1,600.

Half of givers pledge \$1,000 or more.

Top givers pledge \$3,000 to \$13,000.

Most common pledges are \$500 and \$1,000.

Why give?

Our community thrives on our commitments

Through the financial commitment each of us makes, we give CUC the resources to be the liberal religious home we need it to be. Unlike other charities, our church *belongs* to us and depends on just a few hundred people to keep it healthy and thriving.

The size of your gift is yours to decide, based on your annual income. Please consult this guide to arrive at a level that feels right for you.
